BMP Grounds #8

TITLE: WASTE THINNER AND CLEANER DISPOSAL

Regulatory Citation: 6 NYCRR Part 367.2

Applicability: Waste thinner and cleaners generated by solvent cleaning tasks in shop areas.

Purpose: Proper handling, storage and disposal of waste thinner and cleaners

**Person or
Department Responsible:** Grounds Supervisor

Schedule: As needed

Procedures: All waste thinners and solvent cleaners generated in the shop areas will be placed in a 2 gallon fire safety container labeled "Hazardous Waste" and "Waste Flammable Liquids" located in the Maintenance Shop. The container must be closed at all times unless adding waste. Once the container is full, the Director will make arrangements for pick up by the approved hazardous waste vendor. The hazardous waste manifest will be signed by the Director of EHS or designee and kept in the EHS files.

Final disposition of the waste and recordkeeping is handled by the Director of Environmental Health & Safety

Record keeping: hazardous waste manifests

**Record
Location:** EHS office environmental files
