The County of Rensselaer is pleased to provide this information about your vision care plan administered by Davis Vision, Inc., a leading national administrator of vision care programs. Eligibility for vision care benefits is determined by the same rules that apply to your health care benefits.

How do I receive services from a provider in the network?

- Call the network provider of your choice and schedule an appointment.
- Identify yourself as a Davis Vision member and The County of Rensselaer employee or dependent.
- Provide the office with the employee's ID number and the name and date of birth of any covered dependent needing services.

It's that easy! The provider's office will verify your eligibility for services, and claim forms or ID cards are not required!

Who are the network providers?

They are licensed providers in both private practice and retail locations who are extensively reviewed and credentialed to ensure that stringent standards for quality service are maintained. Please access Davis Vision's website at www.davisvision.com and utilize the "Find a Doctor" feature, or call **1.800.999.5431** to access the Interactive Voice Response (IVR) Unit, which will supply you with the names and addresses of the network providers nearest you.

When will I receive my eyewear?

Generally, your eyewear will be delivered to your provider from the laboratory within five business days. More delivery time may be needed when out-of-stock frames, anti-reflective coating, specialized prescriptions or a participating provider's frame is selected.

What about out-of-network provider benefits?

You may receive services from an out-of-network provider, although you will receive the greatest value and maximize your benefit dollars if you select a provider who participates in the network. If you choose an out-of-network provider, you must pay the provider directly for all charges and then submit a claim for reimbursement to:

**Vision Care Processing Unit
P.O. Box 1525
Latham, NY 12110**

Only one claim per service may be submitted for reimbursement each benefit cycle. To request claim forms, please visit the Davis Vision website at www.davisvision.com or call **1.800.999.5431**.

May I use the benefit at different times?

Continuity of care will best be maintained when all available services are obtained at one time from either a network or an out-of-network provider. To maximize your benefit value we recommend that all services be obtained from a network provider.
